

Panthers Volunteer Appreciation Program

Effective 2021 Season

In an effort to reward our Panther volunteers, we will be increasing the points awarded with our Volunteer Appreciation program.

Each student account will earn points based on the number of games worked. The structure will be based on the number of games worked under a student's name. (Each point is worth \$2 in your Charms account.)

Work 1-5 games = 20 points per game (\$40)

Work 6-10 games = 22.5 points per games (\$45)

Work 11+ games = 25 points (\$50) (We will re-institute this in the 2021 season)
