

We are looking forward to a full and fun Panther's season this year for 2021-2022. Our Panther stand is an excellent way to raise money for the band, earn points to be redeemed for band fees, and an opportunity to meet other parents.

Bank of America Stadium is back to full capacity so that means we will need a fully staffed stand this year. If you have never worked a Panther game, I would encourage you to sign up for Fan Fest. It will be the perfect opportunity to get the feel for how the stand works but might not be quite as busy as a regular season game.

All volunteers will receive training prior to the game and will have myself and a few other "seasoned" volunteers to help, you will never be left to figure things out on your own. We are very much a team in the stand.

Food safety and alcohol training required by Levy will be sent to your email via DocuSign. It will take approximately 20 minutes and must be done at least the day before the event.

Below is this year's schedule as well as the link to the Sign-Up Genius. Please feel free to sign up for as many games as you like. Of course, life happens, if you need to cancel one of your sign-ups, please do so as soon as possible and notify me of your cancellation. The sooner you cancel the easier it will be to find someone to fill your spot.

When signing up please list your full name, email address, phone number and shirt size. If signing up multiple individuals it is preferred (but not required) to use separate email addresses for each individual as this is how training is sent out. When signing up anyone under the age of 18 please indicate that they are a minor by putting their full name in the First name box and "minor" in the last name box. Please keep in mind, all volunteers must be at least 16 years old, and we can only have 3-4 minors in the stand per game.
